Experience

Florida Credit Union
Office Assistant
January 2016 - April 2019 (3 years 4 months)
Gainesville, Florida

Launched first annual cost analysis report of office supplies, informing senior management of decisions for optimizing annual savings. Developed and managed ordering systems for company supplies, streamlining ordering procedures for company branches and departments. Reduced vendor pricing of office supplies. Drafted and optimized procedures for diverse office tasks. Supervised inventory of corporate office to enhance workflow for office personnel.
